Líderes Jóvenes Hablan

<http://gojoven.org/espanol/media/historias-digitales/>

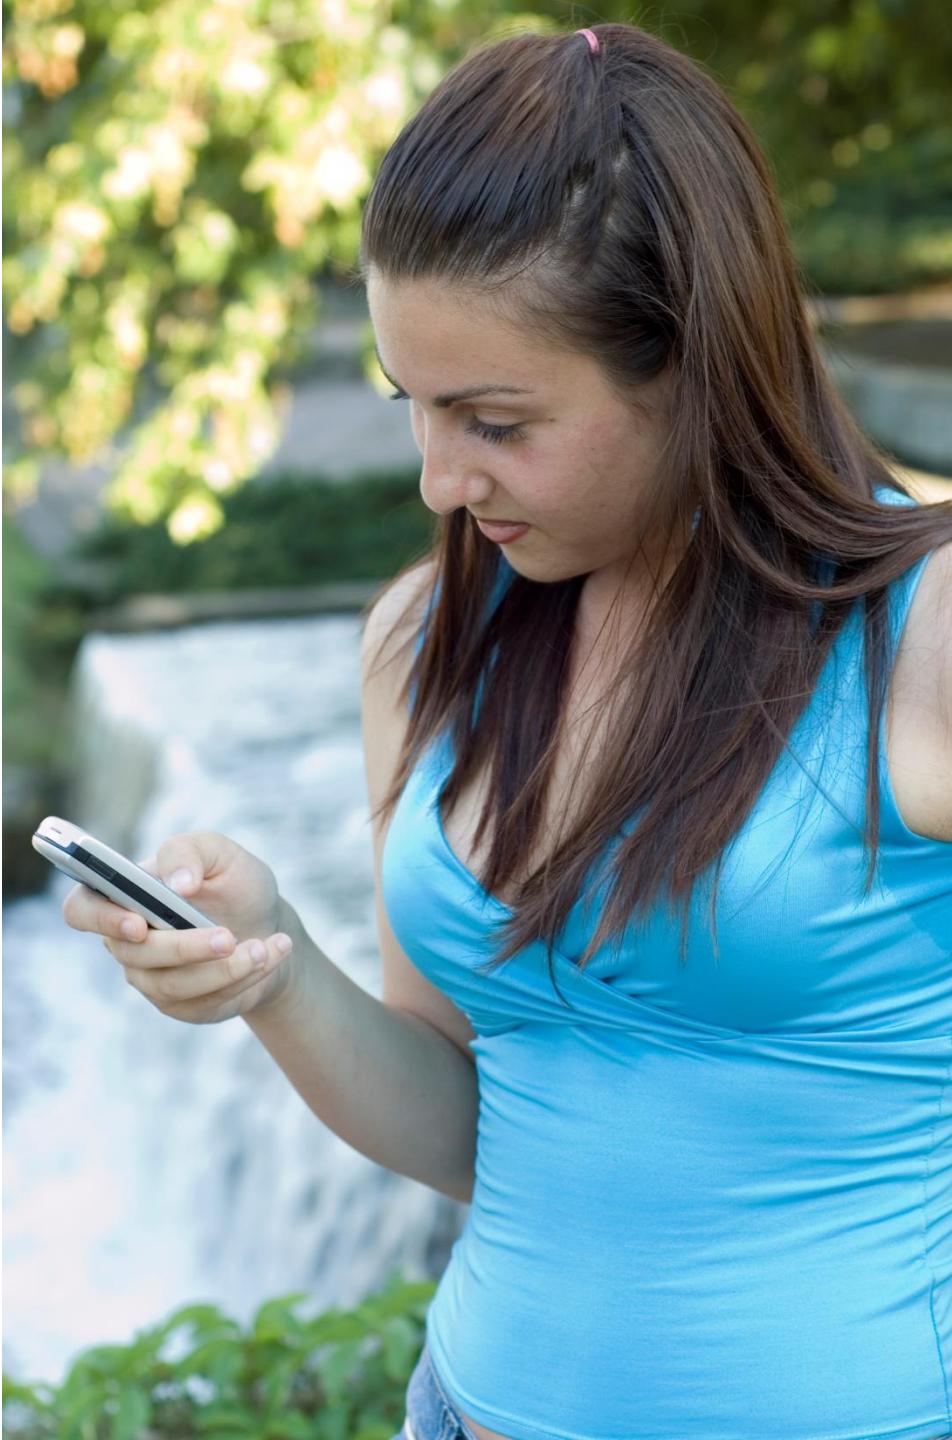

A screenshot of a PDF document titled "Líderes Jóvenes Hablan" (Leaders Young Speak). The title is in large bold letters at the top. Below it is a subtitle: "Historias Digitales: Instrumentos para formar, promover, e incidir". A small photo of three young people is on the right. The text in the center discusses the project's goal of sharing stories in first person about their motivation to work in youth health and sexual and reproductive rights. The Adobe Acrobat Pro interface is visible at the top.

http://gojoven.org/espanol/wp-content/uploads/2010/12/GoJoven_Guide_Esp.pdf

A screenshot of a PDF document titled "Esther". It contains a portrait photo of Esther on the right and her biography on the left. Her biography describes her as a mestiza from rural Guatemala who grew up loving school and pursuing a degree in public health. She faced challenges like discrimination, poverty, and lack of sexual education, but overcame them with family support.

A screenshot of a PDF document titled "Errol". It contains a portrait photo of Errol on the left and his biography on the right. His biography details his childhood in Belize, where he faced abuse from his father and struggled with poverty and lack of educational resources. He found support from friends and family.

The screenshot shows the homepage of the **¡Únete Latina!** website. At the top, there is a navigation bar with links to various services: CLÍNICAS DE SALUD, CLÍNICAS DENTALES, SERVICIOS LEGALES, APOYO A LA COMUNIDAD, SALUD EMOCIONAL, and ALBERGUES. Below this, a search bar features a magnifying glass icon and the placeholder text "Buscar palabra clave...". To the right of the search bar is a dropdown menu labeled "Todos los sectores" with a downward arrow. An orange "BUSCAR" button with a magnifying glass icon is positioned to the right of the search bar. The main content area has a hatched background and displays the text "BIENVENIDA A ÚNETE LATINA" in large, bold, black letters. Below this, a smaller text reads: "Un servicio para mujeres Latinas en el condado de Fresno. Puedes buscar servicios que son de bajo costo, que hablan español y aceptan la matrícula aquí." At the bottom of the page, a copyright notice states: "(c) 2013 Un Servicio de YTH and ILRC. Todos los derechos reservados."

The screenshot shows the Circle of 6 app's main screen on an iPhone. At the top, it displays "12:34 PM" and "AT&T". The central feature is a large green circle containing a checkmark and the text "Your location has been sent to your circle". Below this are several smaller circular icons representing different actions. At the bottom of the screen are three buttons: a blue one with a checkmark, a red one with a warning sign, and a green one with an information icon.

an App that prevents violence before it happens

“ Thanks to the creativity and vision of these developers, young people now have a new line of defense against violence in their lives.”

Vice President Joe Biden

Available on the App Store

home about choosing your circle press contact

Winner of the HHS / White House "Apps Against Abuse" Challenge!

With Circle of 6, you can connect with your friends to stay close, stay safe and prevent violence before it happens.

The Circle of 6 app for your iPhone makes it quick and easy to reach the 6 friends you choose.

Need help getting home? Need an interruption? Two touches lets your circle know where you are and how they can help.

Icons represent actions: so that no one can tell what you're up to. Designed for college students, it's fast, easy-to-use and private.

It's the mobile way to look out for your friends, on campus or when you're out for the night.

The screenshot shows the Google Play Store interface. On the left, a sidebar has 'Apps' selected. The main area displays the 'Condom Finder' app page. The app icon is a red location pin. Below it, the app name 'Condom Finder' is shown along with the developer 'CARES - October 24, 2012' and the category 'Health & Fitness'. There are 'Install' and 'Add to Wishlist' buttons. A message says 'You don't have any devices'. Below that, there are ratings and a 'Recommend this on Google' link. In the center, there are three screenshots of the app: one showing a dark screen with 'CONDOMFINDER' and 'CARES' buttons; another showing a map with a marker for 'CARES Clinic 1500 21st Street Sacramento, CA 95811'; and a third showing a map with multiple markers. At the bottom, there is a 'Description' section with text about condom effectiveness and STD prevention.

FAMILY
PLANNING
HIGH IMPACT
PRACTICES

Salud móvil:

fortalecimiento de los programas de planificación familiar mediante el uso de tecnologías móviles

¿Cuáles es la “nueva tecnología” en el campo de la planificación familiar?

El uso de tecnologías móviles inalámbricas –tales como celulares– para la provisión de información y apoyo a los clientes, proveedores o sistemas de salud.

Antecedentes

La salud móvil es un campo emergente. Está basado en el uso de las tecnologías móviles e inalámbricas para apoyar el alcance de los objetivos de salud (OMS, 2011). Los teléfonos móviles se han convertido, rápidamente, en uno de los canales de comunicación más extendidos en el mundo. Las iniciativas de salud móvil tienen el potencial de fortalecer los programas de planificación familiar, alcanzando a poblaciones desatendidas y abordando aspectos críticos de los sistemas de salud, tales como los recursos humanos, la información gerencial de los sistemas de salud y el financiamiento (Lemaire, 2011; van Heerden, 2012; Labrique, 2013).
